

CMDC TOY STORE

The CMDC Toy Store provides parents the opportunity to purchase brand new gifts at largely discounted prices, have them wrapped on the spot and delivered to their homes the same day.

Why

Poverty stresses the connection between parent and child by hindering the parents' ability to provide. Rather than stepping in to take the parental role, the CMDC Toy Store meets families where they are to build and empower the family unit.

Who

The CMDC Toy Store serves children aged 0-18 years old living in three neighborhoods the Dream Center serves through its weekly Adopt A Block program.

***Toy donation deadline:
December 11th**
